

Whether this is a first request, or if you are in possession of a tattered or faded flag that needs to be replaced, I am glad to provide you with a flag that has flown over the U.S. Capitol.

However, due to the numerous requests received, my office is unable to provide these flags free of charge. We ask you to reimburse us for the cost of the flag and the charge for flying and certifying it; we will pay for shipping and handling.

To proceed to the order form, please first fill in who is purchasing the flag, and where the order will be sent.
